Term 2 - Panui 3rd July 2024

*Learning for the future*

Ahuwhenua – Manaakitia – Mana Motuhake – Manawanui – Aroha  
Tēnā koutou, tēnā koutou, tēnā koutou katoa.

**Term 2 has moved through the days with great speed. While we will always work on teaching and learning, attendance concerns the team at KPS. We appreciate winter ills are about, however as soon as your child is well, we want them back learning at KPS. As a community, lets ensure we improve this!**

## **Mid-Year Progress Reports**

By now you will have received your child's Mid-Year Progress Report and you had the opportunity yesterday (Tuesday 2nd July) to meet the teacher and discuss learning, progress and social aspects. You have today left so as you read this and think you need to make an appointment to see your child's teacher, there are a few spaces left. Contact Denise Batten on 09 435 1482 and she will help you. Please know, our school values our student's whānau as very important stakeholders in their education.

## **Kamo Primary School Wellbeing**

We have been working with Jen Fielden around wellbeing in relation to her study of positive psychology and wellbeing. She is reaching out to you with this survey to find out more about what the community thinks. This survey for whānau and community of Kamo Primary School is to inform a wider look into the wellbeing environment at Kamo Primary School. The information collected is anonymous and will be collated by Jen Fielden, who is a parent of the school, an employee of Healthy Active Learning, and a student of Positive Psychology and Wellbeing. Collated information will be added to insights gathered from our school staff and presented back to the staff of Kamo Primary. The link for the survey will also be available on Skool Loop and Seesaw.

## **Board of Trustees Meeting**

Last week at our Board of Trustees meeting, the approval was given to go ahead and survey the community for a potential name change of the school. The survey will come out early next term. We are looking to connect with the other two schools in our area, and with our utmost respect regarding the renaming of 'Kamo' to 'Te Kamo.' The high school and intermediate schools have been renamed to Te Kura Tuarua o Te Kamo - Kamo High School and Te Kamo Intermediate School. Naturally, we would move to Te Kamo Primary School. All due process will be followed and this is something the Board has talked about for some time.

## Home and School Disco

This Friday sees the Home and School Disco! Get ready to dance!

When: Friday 5th July from 6pm to 8pm

Where: Kamo Intermediate School Hall

Theme: Superheroes and Princesses only if you want too, **but** if you don't feel like getting dressed up, just come along, that's absolutely fine!

Why: Fun, fun, fun!

Please, if you can help at the Disco let us know as your help would be appreciated.

## Collecting students after school

Can we please ask that at the end of the day you stand back from rooms until the bell goes so that it does not distract students. It is important for teachers to complete the day fully with the final messages and recap of the day. The students look and then get distracted by what's happening outside. We truly appreciate your support with this. The team is discussing whether we have parents, caregivers and whānau waiting on the turf until the bell goes. We do hear some schools patrol their gates until 3pm and then let parents in. So please, help us to get on top of this problem.

## Term 3

A reminder that this is the last week of Term 2 and then our students have two weeks of school holidays. Term 3 starts on Monday 22 July at 8:55am.

“Whakapau kaha ki te whai i te ao hurihuri.”  
Be strong in pursuing the ever-changing world.

### Structured Literacy - **Holiday Mission**

Your mission, should you choose to accept it, is to extend your children's vocabulary through rich experiences and quality experiences. Learn some exciting words. Can your child use these words in a sentence they can say out loud?  
Have fun learning some new words together!

Please note Road works start back outside the school to fix and finish the roads that were done earlier in the year.

This should only last a few weeks.
