

Week 1, Term 2

3 May 2024

Kia ora e te whānau

We hope news has travelled home about our “Alice The Musical” Production on Wednesday 7th August. Our learners are very excited about auditioning and there are approximately 18 different characters with a speaking role. In addition to this every class will be involved in a dance or musical item for our production and we know this will be a very memorable school event. We have booked The Regent to make it possible for the show to be on one night with all the special effects that go with being on a big stage. This also means there is plenty of space for your family and friends in the audience. Tickets will go on sale later this term. In addition to this—we will also have two Dance NZ Made groups. Their performances will be part of our production and then also performed as part of the regional dance competition. All these performance opportunities are great examples of how we are encouraging our learners to be Energised and always prepared to give new things a try!

It is wonderful to have so many sports teams kicking off for our winter terms. We have so many students involved in Hockey, Netball and Basketball as well as plenty of club participation with Football and Rugby too. For the next few weeks a group of our Maharaha boys are involved in Netball coaching sessions and Room 3 are also learning new netball skills—Netball Manawatu is kindly coaching our students for these sessions. Cross Country season is upon us and we are excited about our training happening around the Pirie Farm over the next few weeks.

Attached to this newsletter is a Sports Calendar for the Term ahead so you have all the dates ahead of time. Thank you for all the parent support with our winter sports—we appreciate all the support with coaching and managing teams too.

Friends of Hiwinui School

Our fundraising for School Camp & End of Year Class Activities is well on track! Support for burgers, our Easter Raffle & the recent baking for the Stewarts have all contributed. This Term we have weekly sausages and pies (more info to follow).

Thanks for your support, it makes a huge difference to the cost of these awesome activities that our kids get to experience!

Moving of the War Memorial

This project has hit some drainage issues that need to be resolved prior to relocating the memorial to its new location. Further working bees and planning continue on this project. The Community Committee thank those who have generously donated to support the project. Unfortunately the Give A Little campaign has fallen well short of its target, so any further donations will be hugely appreciated. Donations can be made to the Hiwinui School Fundraising account, and held on behalf of the Community Committee—03-0726-0519899-003.
