

Week 6, Term 2

7 June 2024

Kia ora e te whānau

Our three day school week has been action packed! We were incredibly proud of our 46 runners who represented our school at the Kainui Cross Country with determination and energy. We had the very best weather and were highly competitive against the other schools with so many wins and placings on the day. All our training on the Pirie farm and our weekly Run Club sessions definitely contributed to these results. This also shows our learners that to get better at something it often takes hard work, practice and sometimes a little extra grit.

In addition to our success at Kainui three of our runners were selected to represent our school at the Interschool Cross Country event which was also on Wednesday. The strength of these runners was highlighted when they raced against up to 100 others in their year group from our wider region. Congratulations on the following placings: Brodie—1st Year 5 Boys, Frank M—1st Year 6 Boys and James—7th Year 8 Boys. Thank you to all the parents and whanau that supported our students at both these events.

Today we were delighted to welcome back Paige, our 2023 Head Girl, as part of Wacky Hair Day and supporting her mission to fundraise for Pancreatic Cancer. We linked this to our value of Awahi and how it is kind and generous to support others. On Saturday 15th June Paige will shave her hair as a tribute to her Nana. Her fundraising has nearly exceeded \$4k and she was highly appreciative of the \$220 Koha from our children too.

Teachers are in the process of completing Literacy and Maths assessment and writing reports too. On Monday you will receive a link to book a Learning Conference time in Week 8. These are scheduled for Wednesday 19th and Thursday 20th June. We look forward to seeing you at these hui.

Autumn Adventures

As I walk in the sun it starts to warm me up and prick my skin with its rays. I could see the grass sparkling in the sun and the leaves floating back down to earth in the wind. Trees swaying in the breeze catch my eye. The bark makes a crisscross pattern near the bottom of the trunk. I can hear the birdsong travelling through the air. Wind is blowing against my face whistling past. Everyone is laughing, chatting and screaming as leaves hurtle through the air towards each other. The fog on the ranges is soothing, the glistening grass is relaxing. I had daisies twirling between my fingers. The leaves crunched when I picked them up and threw them in the air, my hair flipping and leaves descending on my face. The breeze tasted refreshing like mint gum. I can taste the crunchy dewy leaves in my mouth from throwing them towards the sky. The crisp morning breeze felt like a hot summer's day by the pool.
