Fountain Of Peace: Walk With A Purpose

With very wet weather expected this Friday, senior staff in consultation with event organiser Tania Sharr, have decided to postpone our Walk With A Purpose event to next term. Friday 16 August is the new event date.

Cross Country Results

Congratulations to every student who competed in the school cross country races recently. Mrs Bigelow and our senior sport leaders put on a great event even though it was cold. We have three runners who have qualified to compete at the Canterbury event: Angel S, Cleo F and Alice A. Congratulations!

Mid Year Reports

As we have signalled in earlier communications, feedback from the community indicated a need to better understand where students are achieving against the NZ Curriculum.

In the mid year report forms going home to you later this term, you will notice some coloured boxes and a tick.

The coloured boxes indicate the curriculum level in which students should be achieving within **by the end of 2024**.

The tick reflects an overall teacher judgement of where the **student is achieving now**, six months prior to the end of year.

In the example above, the student is achieving at the upper end of expectations mid way through 2024. This indicates strong progress.

In the example at the left, you can see that the student is working towards the expected level in Maths. He has another six months at school to make progress towards meeting the expected level.

In Reading, he is achieving strongly and in Writing, he is achieving within the expected already, six months before the end of the year.

Please feel free to ask for more details at the upcoming parent / teacher conferences.

Vandalism

We have been targeted twice in the last week by vandals. On Thursday night last week someone destroyed three heat pump compressors and over the weekend almost all of our metal drain covers were taken. Clearly someone values the cash they can get from scrap metal merchants. I would ask that the community rallies around and keeps an eye on the school. All of this damage is taking thousands of dollars away from our core business, teaching and learning.

Uniforms

Uniform requirements at St Mark's School

Enrolled children at St Mark's School are required to wear the compulsory uniform. The uniform provides the students with a sense of pride and school identification in the community.

Make-up, nail polish and coloured hair are not permitted. It is a safety requirement that hair (regardless of gender) extending below the collar is tied back with hair ties in school colours or matching natural hair colour. Students should have a neat and reasonable hairstyle (natural hair colour only).

Jewellery is not permitted to be worn, with the exception of plain stud earrings, watches and jewellery of a religious or cultural significance. Smart watches capable of texts or calls are not permitted.

For girls who opt for a dress or kilt instead of skorts, black bike pants or PE shorts can be worn underneath for modesty.

Please ensure that all items of clothing are clearly labelled with your child's name.

Any requests that differ from what is outlined should first be discussed with the school Principal before further consultation with the Board of Proprietors.
