Kia ora St Mark's Whānau,

Averil's Farewell

What a lovely event last Friday in the hall. It was wonderful to have the whole school, whānau and past students attend this special event to officially farewell Mrs Worner as principal. We had speeches from Ange Booth on behalf of the PA as well as Claire Bourne sharing some special thoughts as BOT chairperson. It was my privilege to share some photos from throughout Averil's tenure (a couple of funny ones) and to thank her for the amazing work she has done in the advancement of our great school. A fantastic feature of the afternoon was a flood of cards and messages from individual students and a beautiful pounamu cross necklace presented to Averil as a gift from us all.

We finished with the service with the choir singing the Irish Blessing followed by a prayer of thanks and best wishes from Dean Ben Truman.

Averil has been a transformational person for our school family. She will always be cherished and remembered here at St Mark's.

Keeping Ourselves Safe

KOS is an important element of the NZ Health and Physical Education Curriculum. Classes will take place in the last two weeks of this term with support from our education liaison at NZ Police. More information, including an opportunity for parents to attend an information meeting will be published in due course via the school app.

Hillview Cross Country

Many thanks to the parents who came along and supported students as they represented the school at this event. Our students were outstanding in terms of their behaviour and the way they competed in the event. Congratulations to Teddie DA who achieved 3rd place in his event. What a great effort!

School Chaplain

Many may not be aware that in the absence of a vicar at St Mark's, our school church services on a Friday have been led by Chaplain Teresa Kundycki-Carrell, chaplain at Cathedral Grammar and on loan to us.

We have been blessed to have her support, love and care. Our services have never been so well organised! Teresa finishes with us at the end of this school term and I want to publicly acknowledge her work and support in our school family.

School Website

A brand new school website is launching this week!

A lot of work has gone into "capturing" our school in a new website that we hope will prove to be much more user friendly than the old version. Please watch the school app for the link to our new site later this week.

Prize Giving Survey

Check the school app for your opportunity to have your say on the structure of our end of year sporting, cultural and academic prize giving(s). It is important to me for this event to be updated to reflect the needs of our current community. The survey provides you with four possible structures to choose from as well as a space to comment.

In remembering Mrs Worner and her unwavering dedication and faith...

2 Timothy 4:7

I have fought the good fight, I have finished the course, I have kept the faith.

Blessings to all,
Adrian

Whānau Day at Te Kura o Hato Māka, St Mark's School

Dear Parents / Caregivers,

Date: Thursday 15 August
Time: 9:00 - 10:00am in classes
10:00 - 10:30 picnic morning tea
10:30am event concludes

What to bring: A picnic morning tea for you and your children

This is a special morning where students invite extended family to come to school, to share and celebrate their learning. Students are always excited to have grandparents, aunts and uncles spending time with them in classrooms.

We have revised the programme for 2024.

9:00am Whānau join students in their classrooms and engage with the activities organised by teachers.

You may need to spend time in more than one classroom if you are connected to more than one student. You can move anytime within the hour or so dedicated to class time.

10:15am Whānau picnic morning tea. Please bring along some kai for a morning tea with your child(ren). This is not a shared morning tea and could be affected by weather.
If it is wet, we will move the picnic inside various buildings where families can sit together.

The PA will open the coffee cart especially for this event with coffees and hot chocolates available to purchase.

Many thanks in advance for your support of this wonderful event!

Anglican Special Character at Te Kura o Hato Māka St Mark's School

Māiatanga Courage

This gives us the courage to act to bring about change,

Diriponotanga Faithfulness

Māiatanga Courage

This gives us the courage to act to bring about change,

An evolving Special Character

The true nature of special Anglican character at St Mark's School has grown and developed over the last 8 years.

There is an overwhelming sense of authenticity around Anglicanism within the school. Teachers are encouraged to regularly talk about God with students. Prayer is a regular and often spontaneous activity within the school.

The school is perceived in the community as a safe place for learning and a place where God's love is realised and shared. The number of applications for enrolment and subsequent waiting lists are indicators of this. St Mark's is viewed as "a great school" and a place where all are included and cared for.

The other key aspect to our special Christian character is the way we have collectively achieved high levels of relevance for young students both in our RE programmes and in church services. It is worth noting that a large proportion of this can be attributed to the personalities of staff members delivering these programmes. The special character in 2024 is integrated into every aspect of school operation. It is authentic.

We are fortunate to have the services of Chaplain Teresa to run Friday church and RE in the interim between vicars.

Evidence of the special character can be found in:

- School Culture
- The language regularly used by staff and students
- The regular use of Te Reo in classes and church
- Special events (whānau day, arts celebration etc)
- Catering for diverse learning needs in MODS and dyslexia groups
- Awards Structure
- Church Services
- Kapa Haka
- Choirs
- Religious Education
- Relationship with St Mark's Church
- Service to the local and global community
- Devotional Prayers
- Staff Prayer Group
- A kind and caring playground

What happens at school?

Every Monday, our senior students lead a service where:

- Certificates are awarded for a range of successes.
- Students learn their waka whakatauki.
- Everyone sings together our praise and worship songs.
- We have a bible reading and reflect on it.
- Students pray the school prayer.
- We sing the national anthem.
- We learn our school values.

Every Friday, we go to church at St Mark's church. In that service:

- Students pair up with their church buddies and walk together.
- We have a reflective sermon.
- Special certificates are awarded for success in our school values.
- Special Principal's Awards are awarded for stand out success.
- When new students start the whole school prays for them.
- Whānau are invited to worship with us.
- We sing together our praise and worship songs.
- A class shares prayers written by the students, even our smallest 5 year olds.
- Our junior and senior choirs perform.
- We celebrate God's love.

Each class has regular Religious Education classes.

Students are taught to show **love and care** for every person.

Students are taught to include others.

Everyone views our school as a ***St Mark's School Family***.
