## **Kia Ora Roseneath Whānau**

*Whirinaki ka eke ki runga.*

Let us bind together to attain heights.

The Winter Solstice was last weekend so we have had the shortest day. I for one am looking forward to the daytime hours increasing.

We have a public holiday tomorrow to acknowledge Matariki, the Māori New Year. This is a time for family and friends to spend time together, reflect on the past year, remember those we have lost and set goals for the new year.

Our **celebration of Matariki** will take place on Friday 5 July starting with an assembly **at 9.05** where each class will share some of their learning about Matariki. This will be followed by **Rōpū time** and parents are invited to bring along a story to share -this could be a Matariki story to read or a book about the stars.

**Morning tea will be served in the hall at 10.30** followed by a **Kapa Haka presentation at 11am.**

**We are asking the children to wear navy blue clothes with stars and or sparkles.** We hope as many parents as possible will be able to attend this special Matariki celebration.

## Book Week 12-14 August - Week 4 Term 3

We are holding a **book week** at school during **Week 4 Term 3 12-16 August**. **NOTE NEW DATE**

This is an advance notice that there will be a **Book Character dress up day** during that week so you might want to talk to your child/ren about their favourite book character and start creating a suitable costume. You now have a lot longer to organise costumes.

If you have a favourite book from your childhood that you would like to share with the children there will be opportunities to share during the week. We love it when our parents take part in class activities - feel free to dress up for the occasion!

## e-TAP Statements and Tax Receipts

Thank you to those of you who have persevered with downloading the e-TAP app. Apologies for the emails sent that have not resulted in success. It has been frustrating this end too. This app enables you to access your child/ren's account details. You will be able to generate a statement and/or a tax receipt. When making payments to the school account it is helpful if you reference the payment for Joanne eg Name - donation or Name - Futsal . I am in communication with e-TAP and we hope to have the issue resolved soon - I will send out an email in week one of term 3 with instructions.

## Yummy Stickers Reminder

Each year we redeem the Yummy fruit stickers we have collected for sports equipment. Please send along your stickers to school. Alternatively ask for a sticker sheet to have at home and bring it to school when it is full. This is a great way for us to expand the sports equipment we have.

## **Assemblies 2024 - odd weeks Friday 9.05am**

School assemblies will be held in weeks 1,3,5,7&9 next term. All whānau are welcome to attend starting at 9.05am. Classes will take it in turn to host and we will advertise which class is hosting the week before.

## **Te Reo o te wiki**

An expression or kaikōhau you can use with your friends and family to welcome Te Mātahi o te Tau the New Year.

## A Simple Trick to Handling ✦✦ Peer Pressure ✦✦

Peer pressure can be intense for teenagers, making it difficult for them to say no in uncomfortable situations.

To help them manage this, give them this simple strategy:

**"Just Blame It On Me"**

Explain to your child:

"Whenever you need to leave a situation or say NO to something, and you feel like you can't do it, blame it on me.

This lets your child know they can always use you as an excuse to leave a situation or avoid doing something they're uncomfortable with.

Give your child explicit permission to blame you when they need to get out of a tricky situation. This can reduce the anxiety of saying no directly.

Teach your child to say the following to their peers:

**"My parents are really strict, and I'll get in big trouble if I do this. I need to leave."**

By providing your child with an escape route from peer pressure, you empower them to navigate difficult situations more confidently. This strategy helps them avoid uncomfortable or risky activities without feeling the need to confront their peers directly. It also reinforces that they have your support and that their well-being is a priority.

**Remember, giving your child tools to manage peer pressure not only protects them but also teaches them valuable lessons about setting boundaries and making safe choices.**
