Welcome / Velkommen / Kia Ora Koutou

Congratulations to all the children who ran so well at the Interschool Cross Country; especially to Emerson who came third in her race. The attitude and behaviour of all the students who went is to be commended and other schools noted how well our students supported each other on the day.

Zion represented our school in a regional **Kapa Haka** Group performance on Monday. This was a great opportunity for him to meet students from other schools and take the art of Kapa Haka to a high level. The photos on the back, show what an amazing experience this was.

We will be having our first whole school **Te Miro** visit on **Tuesday 2nd July**; leaving here at 9.30am and returning around 1.30pm. We do need parent help for this as we have a lot of juniors and we are planting around water. Students from Weber and Pahiatua are also joining us for the day. As Fonterra is supplying lunch, our kitchen will supply morning tea, so no food is needed on this day. It will be mufti on the day and gumboots would be the sensible footwear.

Our older students are enjoying cooking and sewing at the Dannevirke High School this term. Please remember that the school is charged for the materials they use so please, if you haven't already, pay your child's **technology fee** that was emailed out earlier this term. The \$40 charge can be paid off in instalments. Reminders will be sent out as the school does not cover this cost.

Our **Matariki celebrations** are next week. Please let us know if you are coming for catering needs. This will be a great chance to get together as a school community.

Our **Jumping June** sponsorship forms have gone home. Please talk to your tamariki about these. We will be having our skipping event on Monday 1st July.

**Ka Kite,
Angela McQuarrie**
