"Caught being good cards"

Simone—for showing an enthusiastic and positive attitude to upskill his knowledge — book award

Alec—for A Give It a Go focused on task learning attitude during reading.

Tamati—for being a respectful learner with Whaea Andrea during Maths

Richie—for a respectful and polite morning greet. A wonderful way to start the day

Principal Chat

Welcome / Velkommen / Kia Ora Koutou

Tomorrow we celebrate **Matariki** at our school and with our community. Thank you to our whanau that are taking the time to join us for tea, starting at 5.17pm. As a school community, the more we can do together, the better it is for our tamariki.

We all work hard to ensure our students can achieve in an environment where they feel safe and happy. We have a diversity at Norsewood & District's School that we embrace and plan students learning around. The challenges with diversity and understanding our schools journey, means we all need to be on the same page or at least the same book. **Communication** is the key to this. By keeping lines of communication open we can ensure that everyone has a voice and feels heard. Together, we can address challenges and celebrate successes. A point to ponder: The school is a reflection of our community.

Our **whanau meetings** will be held in Week Two of Term Three. I appreciate this is later than usual, but due to staff illness, it has not been possible to have them this term. **Reports will be sent home next Friday.**

You may also receive a call or email from a **Board of Trustees** Member. Our B.O.T is interested in what you want for your school. These are both great ways to keep communication open between home and school. Together we thrive, and when we unite our efforts, we create an environment where every student can thrive, academically, socially and emotionally.

Next Tuesday we have our **planting day at Te Miro**. We still need some adults to help us with this. If you are available, please let the office know.

Our **Jumping June** sponsorship forms are finishing this week as we have our Jumping June activities next Monday. It has been fantastic to see so many of our students outside skipping. The whole school, from seniors to juniors, have entered into the spirit of Jumping June.

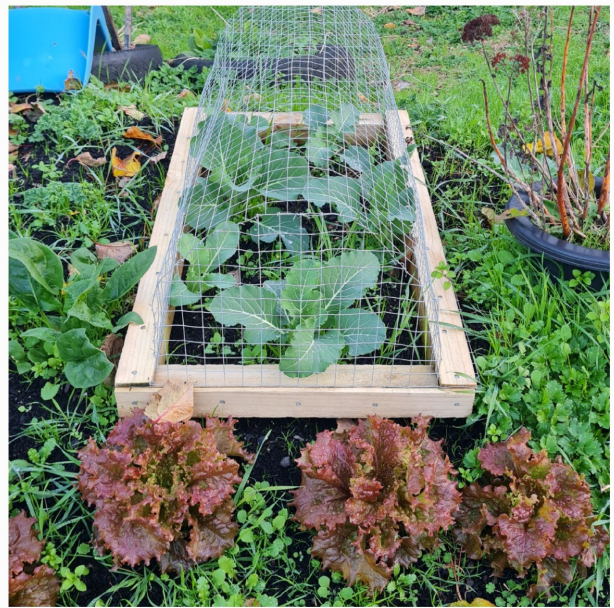

Ka Kite,
Angela McQuarrie
Principal

PUBLIC WATER MEETING

The TDC has arranged for a public water meeting in Norsewood on Thursday 27 June at 6:30pm at the War Memorial Hall to discuss the town's water supply. Everyone welcome.

"Our Winter Garden"

As part of being an ENVIRO school, we continue to encourage our students to foster the love of gardening. Our tamariki are taught to grow seeds and nurture them into plants that grow big enough to be used for our Ka Ora Ka Ako— Healthy School Lunch programme

On a GREAT Learning Adventure
