### A heartfelt thank you to the Te Horo School community

I am writing, this week, to express my gratitude to the Te Horo School community. It has come to my attention that many families have been quietly reaching out to support others facing illness and financial hardship. These acts of kindness and understanding, particularly during challenging times, are truly inspiring.

The outpouring of support is a testament to the strong sense of community we have here at Te Horo School. Seeing families, students, and staff come together to help one another, offering not only a helping hand but also giving people the benefit of the doubt instead of jumping to conclusions and the unwavering generosity, is truly heartwarming. In a world that can often feel harsh, it's these acts of empathy and compassion that make a real difference.

We are a community that is strong of H.E.A.R.T

Kia Kaha (Stay Strong)! Together, we can make a difference.

## Matariki 2024

This year Matariki goes ahead as usual, a decent start in the darkness at 7am, some of our wonderful tamariki sharing their knowledge with us all and time to reflect.

And a little something extra. This year we are extending our invitation to include some time after breakfast to stay and muster into a few tasks and activities that are taking place.

This might be **planting**, **weeding**, **skipping** some old rubbish into the bins, **showing** the kids how to use a scrubbing brush or maybe a wee **story** or two. We hope you would like to come and spend some more time as a community and share this with the kids.

We understand that time is precious and are grateful for any that you can spare. If you are a keen bean please email: [amanda.searle@th.school.nz](mailto:amanda.searle@th.school.nz)

Ngā manaakitanga,

## Thank you for supporting Pink Shirt Day!

Look at our fabulous crew - everyday upstanders! Ka rawe, Te Horo School!

**Congratulations Te Horo School on winning a \$500 Bunnings voucher for the school by being great upstanders and entering this great photo.**

**Thanks, Whaea Wendy**

## **Home & School Committee**

The Home & School Committee are getting geared up for Term 3 which is our busiest term as we will be organising Paddy's Mart. If you haven't put your hand up yet to help, please do. This is a great community get together and many hands make light work so please do get in touch. We need help on stalls, raffles, set up crews and pack down crews. Any help is greatly appreciated. Email [homeandschoolchair@th.school.nz](mailto:homeandschoolchair@th.school.nz) or contact one of our committee members.

Next meeting - **Friday 5th July at Hyde Park Cafe**, Cnr Te Horo Beach Road and the Old State Highway 1 at 8.45am.

## **PADDY'S MART (OUR SCHOOL FAIR) COLLECTION - NOW OPEN**

The date has been set for Saturday 14th September 2024 and our collection room one is now open to accepting any good quality used goods. We have stalls that sell **Bric a Brac** - any good quality household goods. Our **Toy Stall** is always in need of your good quality used toys and our **Book Stall** is always on the lookout for your books to sell. If you are wanting to have a good clean out, now's the time! Get your kids involved, rifle through those old toy boxes, bookshelves, hidden

cupboards in your kitchen and donate them to the school. All donations can be dropped off to **Room 1** at any time during school hours.

## Free Range Eggs for Sale at the School Office 🍳 🍳 🍳

Te Horo Home & School is now selling free range eggs (**Weekly**) from the school office. We are lucky enough to have Zealand Farms as part of our school community and they are offering to sell 1 Dozen Free Range Size 7 Eggs for \$8, of which \$1 of each sale will be donated back to the school.

If you would like to order some eggs please put your order into the school office by Wednesday **each week at 9am**. You can then pick your eggs up from the school office on Friday mornings. Cash or EFTPOS is only accepted. This is a great way to support our local community and our school so get your orders in.

Orders are now closed for this week, please contact the office for egg orders for next week (8th of May)

### Te Horo School Cross Country

Cross Country is a tricky activity and so many find it difficult to complete so pat yourself on the back if you did. School cross country is a challenge that is mostly about participation at this level and doing better than you did the previous year.

Cross Country Wednesday was amazing for all those that participated, well done to everyone that made it running the whole way, to all those that supported their peers and to all those that dressed up and ran hard. It was great to see Te Horo H.E.A.R.T values on show. Thank you to all the supporters who wrapped up warm and attended the event.

### Ngā mihi nui

A huge thank you to the Blakies' (Alex, Luce and Grace) Uncle Warren who has gifted the school a Ruru nesting box for our bush reserve. The forest school classes enjoyed preparing the nesting box last week by filling it with bark chip, planting a Ngāio tree for extra food for the Ruru and learning about trap stoats and rats to keep any eggs and babies safe. Thanks also to Jerome, Theo and Samuel's Dad for the loan of the Doc200's!

### School Closed - Teacher Only Day & Kings Birthday

Please remember that this Friday 31st of May is Teacher only day & Monday next week is King's Birthday - Te Horo School will be closed on both these days.

### Funzone - Please contact if you need care for your Children on Friday
