**06th June 2024**

Tēnā koutou ngā w'ānau, ākongā me te hāpori w'ānui o Te Kura o Mimitangiatua, nau mai hoki mai ki rāro i te korowai o Mounga Taranaki. Nau mai, haere mai ki te wiki tua ono o tēnei wāhanga.

*Kia ora families, learners and the wider community, welcome to week 6 of Term 2*

Firstly, you may already be aware, but we have some very exciting news to share with you all! Mrs Allen and her husband Christian are expecting a pepī (baby) later this year. On behalf of Mimitangiatua, we would like to congratulate you both on this wonderful new adventure and wish you all the best as you embark on this incredible journey into parenthood.

Last week, our year 6s attended the National Young Leaders Day in Hamilton. We embarked on our journey in the early hours of the morning, arriving before 9am. Our tamari-ki had the opportunity to listen to some inspirational speakers from a NZ Blacksticks player to a young environmentalist, and successful business woman. The key messages that our year 6s took away with them was to work hard and persevere through those challenging situations. I would like to take this opportunity to thank our amazing Home and School for making this trip a possibility.

Today, our senior class headed to Ahititi School to take part in an Enviroschools activity day. While we are not officially an Enviroschool, we certainly have a strong focus on the environment here at Mimi School and within our community.

The staff and I would like to thank you, our whānau for supporting our early closure today and full closure tomorrow for conferences. Conferences are an important part of knowing where your child is at, what has been achieved and their next steps. It is also an opportunity to discuss other areas of concern, but more importantly maintains strong partnerships between the kaiako - whānau - ākongā. If you are unable to make conferences, please know that our kaiako are more than willing to catch up at a time that is convenient for you. Remember, at Mimitangiatua we have an open door policy, so please know that you are always welcome to catch up with your child/ren's teacher regarding their learning at any time, even if it is for a general catch up.

Kia pai te mutunga wiki  
*Enjoy your weekend*

Ngā manaakitanga ki a koutou.

## **Mimi School Values**

This year we will continue to unpack and develop our understanding further in relation to our school values, while explicitly teaching these daily. The hope is for our tamari-ki to apply these in everything that they do around our kura, at home and our community.

Our school values **Ngākau Mahaki - Respect**, **Kia Maia - Courage**, **Mana Motuhake - Independence** and **Kia Manawanui - Perseverance** are the four cornerstones to the Mimi School curriculum. As a school whānau we believe that instilling our children with these cornerstones will provide them strong foundations to live by.

To acknowledge our tamariki who are uplifting these qualities during break times kaimahi (staff) will continue to give out 'Ka mau te wehi' cards where a weekly draw will take place at assemblies. Students drawn will receive a juicy or a prize from the prize box. A major draw takes place in weeks 3, 6 & 10 of each term. All 'Ka mau te wehi' cards are put into a box and two names are drawn. Students will either win lunch on Matua to the value of \$10 or a sports ball.

Our focus for the term:

**Week 1 - 3:** Mana Motuhake - Independence

**Week 4 - 6:** Ngākau Māhaki - Kindness: Being Bucket Fillers

**Week 7 - 8:** Kia Manawanui - Perseverance

**Week 9 - 10:** Class to decide based on needs

### Expectation of riding the bus

Whānau, if your child catches the bus could you please just have a chat with them regarding the expectations when riding to and/or from school. There have been concerns shared about the behaviour of some tamariki from across the various schools who catch the Pukearuhe bus. **A Transport Code of Conduct** will be sent home later next week for you and your child/ren to read together and sign.
